Defibrillators

Each of our holiday parks has an automated external defibrillator available in the reception area and staff have undergone CPR and defibrillator training. They are for use both within the park as well as outside in case of emergency. The defibrillators are registered with the AED (Accident & Emergency Department) and feature a Locator App which helps to put the community and first responders in touch with their local AEDs.

In-park Events

All parks host their own in-park events, many including local businesses - musicians, food trucks, children's entertainment. During the winter months, selected parks organise fitness sessions, such as tai chi, yoga and strength training for guests. School holidays see regular activities to keep the young ones entertained including visits from Santa and the Easter Bunny.

Accessible Facilities & Accommodation

All parks have accessible facilities including accommodation, camp kitchens, toilets and showers.

Together with Tweed Council, Tweed Holiday Parks have provided secure housing for a beach wheelchair at the Tweed Holiday Parks Pottsville South, available for use by the local community and holiday park guests.

Ongoing Upgrades

As a commitment to tourism and the highest levels of guest satisfaction, Tweed Holiday Parks are continuously being enhanced, refurbished and upgraded to meet the expectations of today's holiday makers.

Our Sustainability Pledge

Tweed Holiday Parks is committed to environmental sustainability and preserving and protecting our communities and the environment including recycling, reducing energy consumption and protecting wildlife.

By 2023 we pledge to:

- Reduce our water consumption by 20%
- Reduce our power consumption by 20%
- Transition to renewable energy options where possible
- Reduce our landfill waste by 20%
- Protect the natural biodiversity in our parks by planting native species
- Protect wildlife in our parks by informing all visitors of 'care' zones

With a focus on three main areas:

- Raw materials and recycling
- Water, energy and fuel
- Nature and wildlife

We can only achieve our pledge, by working in partnership with our guests.

See our detailed Sustainability Pledge on our website:
